

## **Historians Report for 2004**

This year the Historians job was Co-Chaired which made it easier to cover the CoHort events. All of the CoHort's Historians books have been taken to the Parks Library. They are a part of the Special Collections/University Archives. The books from the past years can be viewed at the library. A copy of the 2003 book is located across from the entrance to the Butterfly Wing. It can be viewed by the general public. Many people have been able to enjoy it at this location. This year's book will contain information about the Board and the events that have been sponsored by the CoHorts. The original 2004 book will be taken to the library with a copy of it staying at the gardens.
